**Note:** Swachhata Champions were identified from all 17 wards of MC Ganderbal. After collecting the necessary information, a WhatsApp group was created, and all Swachhata Champions, along with Sanitary Inspectors and Supervisors, were added to the group. Through this platform, suggestions and sanitation-related complaints from the town are being received.

All complaints received through the group have been **resolved**. The Swachhata Champions have appreciated this initiative as a positive step toward improving sanitation in the town.
